November 11, 2009

The Honorable Mayor, Town Council and Citizens of the Town of Smyrna, Tennessee:

The Comprehensive Annual Financial Report of the Town of Smyrna, Tennessee (the "Town" or "Town of Smyrna") for the fiscal year ending June 30, 2009 is hereby submitted as required by state statutes. These statutes require that all general-purpose local governments publish a complete set of audited financial statements.

Management assumes full responsibility for the completeness and reliability of all of the information presented in this report. To provide a reasonable basis for making these representations, management of the Town has established a comprehensive internal control framework that is designed both to protect the government's assets from loss, theft, or misuse and to compile sufficient reliable information for the preparation of the Town's financial statements. Because the cost of internal controls should not exceed anticipated benefits, the Town's internal controls have been designed to provide reasonable, rather than absolute, assurance that the financial statements will be free from material misstatement.

The Town's financial statements have been audited by Yeary, Howell & Associates. The independent auditor concluded, based upon the audit, that there was a reasonable basis for rendering an unqualified opinion. The independent auditor's report is presented as the first component of the financial section of this report.

Management's Discussion and Analysis (MD&A) provides a narrative introduction, overview, and analysis of the basic financial statements. This letter of transmittal is designed to complement MD&A and should be read in conjunction with it. The Town of Smyrna's MD&A can be found immediately following the report of the independent auditors.

Profile of the Government

The Town of Smyrna is located in middle Tennessee in the northwestern part of Rutherford County, the fastest growing county in Tennessee according to the U.S. Census Bureau in May 2009. The town is in close proximity to the southeastern boundary of Metropolitan Nashville-Davidson County and is joined by the City of Murfreesboro on the south. The City of LaVergne is immediately to the northwest of the town. The incorporated area of the town covers approximately 29 square miles and serves a population of 38,073.

The town was first incorporated in December 1869, but that incorporating charter was repealed in 1881. The town then operated under a Mayor and Commission form of government authorized by a charter dated May 5, 1915. In January 2000, the town adopted a new charter changing to a Council-Manager form of government. The new charter also changed the number of members in the governing body of the town. The governing body is made up of the Mayor and six Council, who serve four-year terms of office. The Mayor and Council appoint the Town Manager, who is the chief, non-elected administrative officer of the town.

The town provides a wide range of services characteristic of similar jurisdictions in the state. These services include police and fire protection; the maintenance of highways and streets; parks and recreation; community development; planning and zoning; stormwater; and general administrative services. The town also operates water, sewer, and natural gas utilities for its residents. Electric power is provided by the Middle Tennessee Electric Membership Cooperative. The town is also financially accountable for a legally separate industrial development board, which is reported separately within the town's financial statements. Additional information on this board can be found in the notes to the financial statements on page 28.

The annual budget serves as the foundation for the Town's financial planning and control. The town maintains budgetary controls in order to ensure compliance with legal provisions embodied in the annual appropriated budget approved by the town's governing body. The legal level of budgetary control is at the department level. Any revision to the total expenditures of any department or transfers between departments must be approved by the Town Council. Additional information concerning the Town's budgetary process can be found on page 46 of this report.

Local Economy

The Town currently enjoys a favorable economic environment and local indicators point to continued stability. The town enjoys a diversified base of employment from area industries and also serves as a bedroom community to Nashville. The largest single employer is Nissan North America, Inc., a leading manufacturer of vehicles in America. Nissan is also one of Tennessee's largest employers with approximately 4,400 employees.

The Town continues to see strong commercial growth within its boundaries. This growth provides jobs and sales tax revenue, which has allowed the Town to achieve a more balanced tax structure and become less dependent on the property tax to fund municipal services. Even in the midst of troubled economic times, the local option sales tax revenue for 2009 was 11.3% more than the previous year. Due to new commercial development, the Town expects this sales tax growth to continue, but at a much slower pace for the upcoming year. The Town conservatively budgeted zero growth over estimated 2009 revenue for fiscal year 2010. Current collections are at a level of 1.7% over fiscal year 2009.

The local economy has historically remained healthier than the national economy, with the average unemployment rate below the national average. During the past ten years, the

unemployment rate for Smyrna has averaged about 4.69%, while the national rate for the same time period has averaged about 5.58%. Although the local rate is currently 1.3 % higher than the national rate, unemployment is expected to decrease in the near future due to continued new business creation, including ventures by the Department of Veterans Affairs and Nissan.

Long-term Financial Planning

As part of the Town's budget process, a five-year capital plan is developed in order to assess future needs. As part of this plan, projects are evaluated as to their future funding source in order that the Town can adequately plan for future bond issue needs, as well as investing idle cash.

Relevant Financial Policies

The Town's Financial, Debt, and Budget Management Policy, as adopted by the Town Council, requires that ending fund balance of the general fund be maintained at a level that equals at least 50% of operating expenditures. This policy is in place to provide a contingency plan for times of economic downturn or one-time use for capital expansion.

Major Initiatives

The Town's impressive amenities, such as our superior park system, two golf courses, extensive greenways, and our forward looking approach to infrastructure improvements, and recruitment of commercial business allow us to continue to live up to our reputation of being one of the top 10 best places to retire by U.S. News and World Report (2008).

The Town continues to abide by our Employees' Guiding Principles to remind us that everything we do as an organization and as individual employees of the Town is to benefit the citizens of Smyrna. Management and all employees give particular attention to customer service, respecting all members of the organization, being innovative, financially responsible, and embracing a mentoring mindset.

The Town is awaiting feedback from the Federal Highway Administration regarding the previously submitted justification study which would allow for constructing another interchange off Interstate 24 within the Town's corporate boundaries. Providing this additional interchange would allow for a wealth of opportunities for commercial growth while further benefiting our citizens by providing an additional means of accessing Interstate 24.

The Town is pleased to report that the Department of Veterans Affairs has contracted with Mid-South Consolidated Patient Account Center to lease property in Smyrna to open a call center that will service 19 hospitals in the mid-south area. This endeavor will create 325 new jobs at the Smyrna facility starting in late 2009 with an estimated pay of \$40,000 to \$50,000 annually and it is estimated that an additional 125 new indirect jobs will be created due to this agreement.

The Town's largest employer, Nissan, will begin construction on a new facility in Smyrna beginning the end of 2009 to house the production of the 100% electric, zero-emissions, Nissan Leaf. Production is scheduled to start late in 2012 and is expected to provide an additional 1,300 jobs.

Awards and Acknowledgements

The Government Finance Officers Association (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the Town of Smyrna for its comprehensive annual financial report (CAFR) for the year ended June 30, 2008. The Certificate of Achievement is a prestigious national award that recognizes our publication of an easily readable and efficiently organized CAFR, whose content conforms to program standards. Those standards require the CAFR satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. The Town of Smyrna has received a Certificate of Achievement for the last twenty one consecutive years (fiscal years ended 1988-2008). We believe that our current CAFR continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

The preparation of this report would not have been possible without the efforts of the members of the Finance Department office staff and the cooperation of each of the Town's departments. Specific appreciation is expressed to Town Finance Manager Rex Gaither and Town Financial Analysts, Ed Hamblin and Brenda Yeatts, on their preparation and thoroughness throughout the audit process. Credit also must be given to the Mayor and Town Council and Town Manager Mark O'Neal for their unfailing support for maintaining the highest standards of professionalism in the management of the Town of Smyrna's finances.

Respectfully submitted,

Mark A. Tucker
Finance Director/Asst. Town Manager

Certificate of Achievement for Excellence in Financial Reporting

Presented to

Town of Smyrna
Tennessee

For its Comprehensive Annual
Financial Report
for the Fiscal Year Ended
June 30, 2008

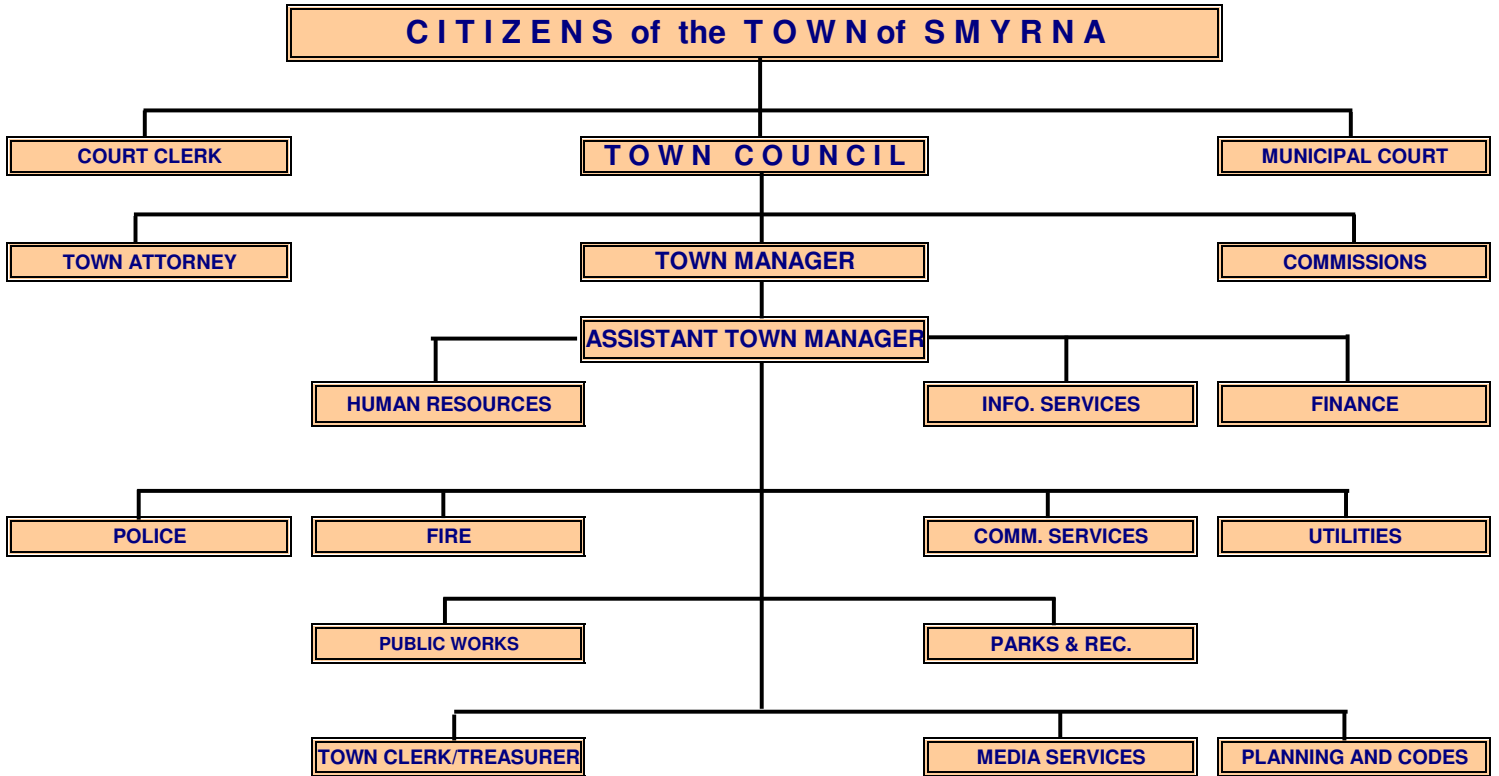

A Certificate of Achievement for Excellence in Financial Reporting is presented by the Government Finance Officers Association of the United States and Canada to government units and public employee retirement systems whose comprehensive annual financial reports (CAFRs) achieve the highest standards in government accounting and financial reporting.
